**SUBJECT: The List, by INDITEX.**

Inditex has launched the update of [The List by INDITEX](#) classification, accessible online.

Achitex Minerva, the first Italian company to join the Inditex list, now has about 600 products classified.

The portal will simplify the consultation of the list, improving accessibility and quality of information with a more functional, agile and simple search of products and their classification.

To consult our products included in the list, it will be enough to connect to the appropriate web platform and select "ACHITEX MINERVA" in the "MANUFACTURER" drop-down menu.

Find out about our classified products and do not hesitate to contact us for any needs!

We wish you a good navigation.

**Achitex Minerva S.p.A.**
